OTHER PRAYER TRAINING

Prophetic Prayer Training

This training teaches about God's gift of prophecy and how God speaks to all of us today. You will learn practical tips on how God speaks and how we can learn to hear from God more clearly. This training will prepare you to pray during upcoming Friday Night Seminars should you choose.

Spiritual Freedom Prayer Training

This training will teach a well balanced model for praying for spiritual freedom which focuses on the heart of God for the person and not the demonic. Hands on time will help develop these skills.

Additional Training — will be offered during the year to refresh and renew your soul as well as sharpen your prayer skills. E-Mails will be sent out to announce these trainings.

POSSIBLE NEXT STEPS

How do we take what we've learned and make an impact?

Begin at home - One of the best places to begin practicing is stepping out and offering to pray for our family. This is a place that you feel most comfortable at and it gives you the opportunity to model it for your family.

Offer to Pray for Friends, Neighbors and Co-workers - God provides us so many opportunities in which we can pray for others. Begin praying that God give you the boldness to offer to pray for people He has placed around you. It will not only increase your faith but will be a demonstration of God's love to those around you.

Join A Small Group - A small group is a great place to not only build relationships with others but it provides a safe environment for you to practice praying for one another.

Serve in A Ministry - There are many areas to serve within the church that give you opportunities to pray for those you serve. Hospitality, Children's and the Connecting Ministries are but a few that provide moments for you to offer to pray for another person.

Join A Prayer Team - The Prayer Ministry offers lots of opportunities for people to continue to learn and be mentored in their skill to pray for others. You also become part of a community that has a passion for praying for others and seeing God radically transform lives through prayer.
